Specialty Carrier Solution Overview

Designed specifically for carriers to simplify business operations and reduce IT complexity – OneShield Market Solutions offers end-to-end policy lifecycle management for Specialty Carriers.

Speed to market is essential for responding to rapidly changing market opportunities. OneShield Market Solutions (OMS) enables accelerated speed-to-market with our feature-rich, out-of-the-box policy, billing and claims solutions. Designed to work the way you do, the solution can be tailored to suit your company specific needs. Hosted in the cloud, OMS helps put an end to rising IT costs, improves operational efficiencies and service quality while enhancing your business acquisition capabilities.

Our inclusive annual fee includes the software license, maintenance, hosting, support, implementation, upgrades and a defined number of annual managed service hours. Upgrades and enhancements are pushed monthly, so you always be on the latest version.

Functionality at Your Fingertips:

OneShield's solution provides a fully functioning submission, rating, quoting, binding, business development, and policy administration system that includes billing, invoicing, document management, detailed reporting and analysis, and much more. In addition to the features and functionalities described on our Policy and Billing, and Claims Datasheets, here are some features specific to the Specialty Carrier market:

Policy Management:

- Support for multiple Programs and Packages
- Extensive experience with Excess & Surplus Lines products
- Support for non-admitted carriers, including associated fees and taxes

Billing & Accounting:

- Direct Bill, List Bill, Combined/Account billing by Carrier and Program
- Invoicing for Agency/Broker-billed or Multi-payor options and transactions
- Agent, Broker, and Customer portals for payments processing

Claim Management:

- Agency and Customer portal for reporting new loss and status tracking
- Third-party Portal to support independent adjusters, TPAs, carrier audits

About OneShield

OneShield provides business solutions for P&C insurers and MGAs of all sizes.

OneShield's cloud-based and SaaS platforms include enterprise-level policy management, billing, claims, rating, relationship management, product configuration, business intelligence, and smart analytics.

Designed specifically for personal, commercial, and specialty insurance, our solutions support over 90 lines of business. OneShield's clients, some of the world's leading insurers, benefit from optimized workflows, pre-built content, seamless upgrades, collaborative implementations, and pricing models designed to lower the total cost of ownership.

Our global footprint includes corporate headquarters in Marlborough, MA, with additional offices throughout India.
